

X INTERNATIONAL FORUM
«FUEL AND ENERGY COMPLEX OF UKRAINE: THE PRESENT AND THE FUTURE»
SEPTEMBER 26-28, 2012

Kiev, International Exhibition Centre, Brovarskoy ave., 15

ORGANIZERS OF THE FORUM: Ministry of Energy and Coal Industry of Ukraine
International Exhibition Centre, Ltd.

IN THE PROGRAM OF FORUM:

BRANCH EXPOSITION «FEC OF UKRAINE»

Demonstration of enterprises potential of fuel and energy complex of Ukraine with representation of priorities in activity of Ministry of Energy and Coal Industry and ways of implementation of investment projects on following directions:

- Electric Power
- Oil&Gas and Refining Industry
- Nuclear Power and Nuclear&Industrial Complex
- Coal Industry
- Energy Saving, Non-Conventional Energy Sources

INTERNATIONAL EXHIBITION «POWER ENGINEERING FOR INDUSTRY-2012»

• **ELECTRIC POWER AND POWER ENGINEERING**

Electric power, thermal power, hydro power, renewable energy

Electric power production and transmission equipment

Equipment for electric power plants, substations and organization of transmission grids

Steam, hydraulic, gas turbines and ancillary equipment

Boilers, boiler plants and ancillary equipment

Diesels and diesel generators. Co-generation plants

Equipment for industrial thermal power

• **INDUSTRIAL ELECTRICAL ENGINEERING**

• **INDUSTRIAL LIGHTING**

• **AUTOMATED CONTROL SYSTEMS OF TECHNOLOGICAL PROCESSES, CONTROLLING AND MEASURING DEVICES, DIAGNOSTICS**

• **CABLES, WIRES, CONNECTING ACCESSORIES**

• **POWER ELECTRONICS FOR ENERGY**

SPECIAL THEMES FOR 2012

Energy and electricity supply for oil&gas complexes and coal industry enterprises

Power supply and electrification of electric transport

Electrotechnologies and power supply in agricultural sector

IT-technologies, automation of the Fuel and Energy Complex objects

Nuclear energy and atomic-industrial complex of Ukraine

BUSINESS PROGRAM dedicated to reforming of electric power, coal branch, oil&gas industry, housing and communal services, transport in the light of governmental Program of economic reforms for 2010-2014 years "Prosperous Society, Competitive Economy, Efficient State".
